

A low-angle, upward-looking photograph of a large, dark metal globe sculpture. The globe is composed of a grid of lines and is surrounded by several thin, curved metal rings that intersect it. The background is a clear, bright blue sky with a sun flare in the upper left corner. The overall mood is industrial and global.

- Service Contractor

## Headquarter Office & Factory Profile

Located in Ann Arbor, Michigan (near Detroit)

Building Established in 1996

UBE Machinery Inc. Property: 26 acres

Plant Area: 94,500 SQ FT

Approximately 45 Employees (10 Japanese)

Injection Molding, Die Casting, & Extrusion Machine

Manufactures Injection Molding Machines

Supports Manufacturing, Design, & Services

## Factory Overview

Assembly Area : 64,500 SQ FT

Parts Storage Area : 16,050 SQ FT

Office Area : 13,950 SQ FT

Various Overhead Cranes Ranging From 60T – 3T

4000T Rebuild Capacity

Wet Painting & Powder Coating with Oven

Machining Equipment & Piping/Welding Equipment

## Customer Support and Service

### Service

Industry Leading Customer Machine to Service Ratio

24 Hour Service and Support Hotline: 888-UBE-24HR

In-House & On-Site Training Available

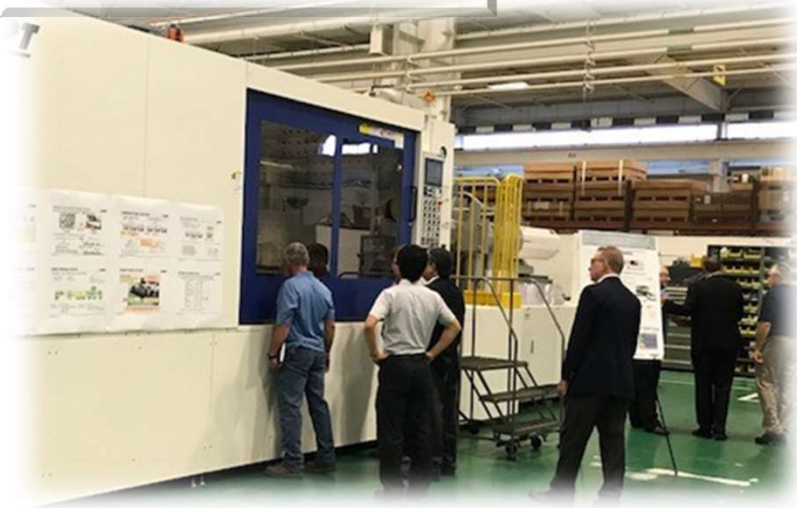

Resident Molding Engineer

In-House & On-Site Rebuilds, Retrofits & Upgrades

Preventative Maintenance Program

Turnkey Machine Commissioning Mandatory

### Mold Trial

### Training

## Spare Parts

\$7 Million Dollar Spare Parts Inventory

In Stock at Factory & Warehouse

24 Hour Part Support (After Hours)

10 Full Time Employees for Parts Department

10+ Stock Machines in Inventory for Emergency Parts

Parts Procured Domestically & Globally

Customer Support Engineers Diagnose & Identify Parts
